## RECOMMENDATIONS

*The Dr Zdrowie S.A. company has been present on the Polish market for 20 years. Now, it is one of the most dynamically developing Polish nationwide pharmacy networks. It has several dozen pharmacy shops localised mainly in the large-format shopping centres within the whole Polish territory. An offer of our pharmacy shops, besides a wide range of drugs, includes also a wide selection of dermocosmetics.*

*I recommend with a full responsibility the PharmaCo.pl company as a reliable and professional partner in relation to preparing and setting up new pharmacy shops, as well as a modernisation of the existing ones. The PharmaCo.pl company has realised several investments of the Dr Zdrowie S.A. since our cooperation was established and a part of them has consisted in a modernisation of the expedition sections of the operating pharmacies. The commissions has been realised efficiently and reliably and the standards applicable in this company completely fulfil our requirements. The above mentioned investments has included, among others,:*

- o design works;*
- o construction and finishing works;*
- o installation works;*
- o a comprehensive equipment of the pharmacy shops, in that customised apothecary furniture made according to an individual design;*
- o obtaining a licence to operate a pharmacy shop.*

*The PharmaCo.pl company ensures an efficient information flow and services are rendered by the experienced and polite specialists – those features are essential to maintain further business contacts. The PharmaCo.pl company fully realises assigned projects with the total involvement. An unquestionable advantage of this firm is a full availability of its employees who always provide a full support. A kind and open attitude of its employees towards customer's needs encourage to continue a cooperation.*

*Therefore I recommend with a pleasure the PharmaCo.pl company as a professional and trustworthy partner with regard to comprehensive realisation of new pharmacy shops and a modernisation of the existing ones.*
