## REFERENCE LETTER

**THE COSMEDICA GROUP** is a dynamically developing Polish nationwide pharmaceutical and dermo-cosmetic group which has its establishments all over Poland. Besides a wide range of drugs we offer a wide product range and specialist consultations in our extended self-service dermo-cosmetic section. We also offer pharmaceutical care, professional counselling and health promotion services. The establishments of the group can be found in the 15 Polish towns: from Tri-City to Nowy Sącz, both in the prestigious shopping malls or convenience centres, as well as locations at the so called *High Street*. The Cosmedica Group was established in 2003, although already three years earlier on 20th October 2000, was opened the first of the pharmacy shops, which today are included in the group. It was an apothecary shop at Książkowa Street in Warsaw.

In this reference letter we would like to express our satisfaction form a cooperation and high quality services rendered by the **PHARMACO.PL PHARMA CONSULTING** company with a registered office in Kłodawa, near Gorzów Wielkopolski, TAX IDENTIFICATION NUMER (NIP): 5991566365. Our cooperation has lasted for several months, and during this time the company has realised to the benefit of the COSMEDICA Group, among other, investments in Sopot – a pharmacy shop with a chemist's shop in Sopot, a pharmacy shop with a chemist's shop in Jelenia Góra, a pharmacy shop in Tarnów, a pharmacy shop in Nowy Sącz and a reconstruction of the pharmaceutical wholesaler in order to adjust it to the requirements of Good Distribution Practice.

A basic advantage of the PharmaCo.pl company is its reliability, professionalism and flexibility which is combined with a personal involvement of Mr Mariusz Ratyński, a company owner, and his co-workers, in a realisation of the ascribed tasks, as well as sensitivity to the individual needs of our company. The services are always rendered, to our satisfaction, in a timely manner and without any objections, with professional due diligence. Thanks to that the PharmaCo.pl company has accomplished our good opinion what allow us to recommend it as a tried and tested Partner.

We have been convinced to select the PharmaCo.pl company from a wide range of the companies with a similar economic activity profile not only because due to the practical reasons – as comprehensiveness, experience and high quality services offered by PharmaCo.pl – but, what is more important, thanks to a deep understanding of our needs as a customer, a pleasant and competent customer service, professionalism, reliability of the workforce. All of that constitutes a perfect showcase of the PharmaCo.pl company.

With a great pleasure we recommend services rendered by PharmaCo.pl Pharma Consulting Poland, in particular to those who seek a reliable partner for a cooperation.
